

DEDICATED TO THE EARLY PIONEERS OF  
HOLMES COUNTY, OHIO.

This work is meant as a tribute & Thanksgiving to all of the valient men & women of our family & other families of Holmes County who have gone before us. Who were these people? Sons of the soil, born of humble folk who did their duty. They were the commoners of their day. Most of them led quiet and industrious lives, raised their children in the paths of righteousness, passed on, and were forgotten. Not great in themselves, they provided the kind of greatness that makes America great. I salute them and I thank them.

THE CHURCH AS IT APPEARED - CIRCA 1920

## Monroe Lutheran Church & Cemetery

## PREFACE

My interest in the Monroe Lutheran cemetery began in the 1960's. The first time I was there, my Dad took me to show me where his Grandparents, David and Margaret Steele Korn were buried. Dad always referred to the cemetery as the Korn's cemetery, because he had a lot of ancestors buried there. I did not know until I got into the family history that the correct name was Monroe Lutheran cemetery. Nor did I know that there was a church in conjunction with cemetery until I had done further research.

I decided I wanted to upgrade the existing list of burials that I obtained from the Millersburg library. There were a few errors where names differed from tombstone, plus some tombstones that were missed in the initial survey. I have compiled the present list, along with a layout of all tombstones in their approximate position on the plot. I hope this will help future genealogists to find a particular family marker. Some are difficult to read now (1993) but by referring to the index and corresponding tombstone number, one should be able to locate the stone readily. The tombstones in actuality, are not positioned in quite the straight rows I have shown on my diagram, but they will be close enough that you should not have any difficulty in finding one.

What follows is an attempt to present as accurately as possible a history of the Monroe Lutheran church and cemetery. Hopefully after proofreading this manuscript, errors have been held to a minimum. Should the reader discover any errors or omissions, please feel free to contact the writer for a correction.

## HISTORY OF THE MONROE LUTHERAN & REFORMED CHURCH

The information I have gathered on the MONROE LUTHERAN & REFORMED church I obtained from Louis Voight, archivist of Lutheran church records at Wittenberg Univ. Springfield, Ohio. Additional sources were conversations with Adda Korn's Uhl (1894-1982) & Bertha Conner both of Millersburg. I have also taken excerpts from Rev. Homer Creager's history of Trinity Evangelical Lutheran church written in 1938 for the Centennial celebration. That church is now Faith Lutheran Church in Millersburg.

Ground for the Monroe Lutheran & Reformed church was donated by John & Dorothy Bixler. (Her tombstone says "Doraday") This 56/100 of an acre was conveyed to John Uhl, Henry Asire & Levi Uhl, trustees of the church, on the 20th of June 1846. This information is from Court House records, Deed book vol. 17 page 118.

In a letter from Adda Uhl, she informed me that her Grandad, my great grandfather, David Wm. Korn's, built the church. She recalls that he always referred to the church as the -"Meetin House". David & his wife, Margaret Steele Korn's, are both buried in the Monroe Lutheran cemetery. Adda recalls attending her grandfathers funeral as a girl of sixteen. She said that the undertaker placed his casket, covered with a Buffalo robe, on a sled and was pulled by two black horses to the cemetery. She also remembers the choir singing--"When the Roll is Called up Yonder!"

Pastor Creager's history indicates that the Millersburg church & the Monroe Lutheran merged in about 1870. Further evidence that the two churches did merge, is from the Obit of Rev. Lemon Leander Uhl, Ph. D, D.D. "Dr. Uhl was the son of Henry Harrison and Catherine Wolgamot Uhl and was born Feb. 24 1848, at Pleasant Ridge, near Millersburg. He was baptized and confirmed in the Monroe Lutheran church which was for many years joined with the Millersburg church as one pastorate." Dr. Uhl served as a missionary in India for 50 years, returning to this country in 1923. He passed away at the age of 95 in Gettysburg, Penna., and is buried in Ferncliff cemetery, Springfield, Ohio. This is on Page 20, 1943 minutes of the Ohio Synod, for the United Lutheran Church of America.

In the photo of the church, the cars parked alongside of the building appear to be of World War I vintage. Bertha Conner, who furnished me with church photo, tells me that her husband and father-in-law dismantled the building around 1939 or 40. The lumber was used to build a storage barn on the father-in-law's farm, but it was destroyed by a fire in 1941. I do not know the exact date the church was built, but would guess the building was in active use for at least 80 years.

Correspondance from Louis Voigt, Lutheran Archivist, Wittenberg University, believes the following pastors served both churches. Isaac Culler 1867-1873; Spahr 1873-1874; B.F.Crouse 1874-1878; N.W. Lilly 1878-1881; Elias Minter 1882-1884; H.H.Hall 1885-1890 and L.V. Schermerhorn 1891-1892.

The following names of pastors, funerals they preached, at Monroe Lutheran, came from newspaper obits in the Millersburg paper.

## HISTORY OF CEMETERY

The ground for the cemetery was donated by John & Elizabeth Hoyman, of Monroe township. This John & Elizabeth Hoyman are not to be confused with John & Elizabeth Hoyman of Mechanics township, who were about the same age. (The Mechanics township Hoymans are buried in the Pleasant Grove cemetery) The donater of the 1/2 acre of ground for cemetery was the son of Philip & Elizabeth Hoyman. This ground was in the 4th quarter of township 9 & range 8 of Holmes county. This tract of land was signed over to the trustees (John Uhl, Henry Asire & Levi Uhl) on June 26, 1846. This is from Deed book Vol. 17 page #119.

The earliest burial, according to tombstone dates, is Philip Hoyman's in 1843. (This precedes the date of court house records when land was donated) I believe Philip was already buried here when Philip's son John donated ground for the cemetery. The cemetery is located on the opposite side of the road and a little North of where the church was located.

One hundred & fifteen years elapsed between the first & last burial. Philip Hoyman was first in 1843, & Alice Bowen the last in 1958. There are 141 tombstones, with 194 names inscribed. (This does not include the names of people who have no marker at their grave.). Between 1843 & 1900 there were 140 burials. Between 1900 & 1958 there were 54 burials. Mr. Dan Netherow was the oldest at time of death. (95 Yrs. old.) There are 21 people buried here who lived beyond the age of eighty. I think this is remarkable for this time in history. John Bower buried here, has the earliest birthdate. He was born in Berks County, Pa. in 1768. David Claney & John Fehndrick, buried here, are farthest from their place of birth. Dave was born in Ireland and John in Switzerland.

Jacob Hoyman, a Civil War Vet, is buried close to his grandparents-Philip & Elizabeth. Military records indicate he died at Ft. Ward hospital in Virginia. He could have been buried in Virginia & a marker erected here to commemorate his death. His parents, John & Elizabeth, who donated the ground for cemetery, later moved to Stanwood, Iowa.
