eBooks from the Library

for Smartphones & Tablets

With your library card, you have access to two eBook services: SEO Library Consortium and Ohio eBook Project.

Works with iPad/iPhone, Android, Kindle Fire, Samsung Galaxy and other smartphones and tablets.

Get Started with the SEO Digital Catalog & Download Center:

1 On your device, go to the app store, search for OverDrive Media Console or scan the QR code to the right and install the app. Your app store may ask for your ID and password.

You will then be prompted to enter or create an Adobe ID.

2 Select Get Books and then Add a Library. Enter your zip code in the search box.
