HOLMES COUNTY DISTRICT PUBLIC LIBRARY

Spring 2012

New Direction And New Challenges

Hello,

2012 is shaping up to be an exciting year for those of us at the Holmes County District Public Library.

In order to expand our services throughout the county, our East Branch hours now include the second and fourth Saturdays of the month during the school year starting in January from 10am – 4pm. We invite you to stop by to say hello to Kim Hiller, Branch Manager. She has a lot of great ideas that I'm certain residents in the Eastern part of the county will be most receptive to. Kim is joined at the East Branch by Louise Crilow and Teresa Welker. The three of them do a great job ensuring that the spirit of a community library is alive and well in Walnut Creek.

I also want to remind everyone that our Bookmobiles are equipped with laptop computers and serve as Wi-Fi hotspots. We truly view them as mobile branches, and as such try and equip them so that they can serve all of our patrons' needs. Visitors can surf the web and print documents using the library's laptop computers and can access the Internet using their own device. Beyond our many school and public stops we currently offer extended times in Winesburg on Mondays from 2:30-6:30pm and in Killbuck on Thursdays from 3-6pm. If you have enjoyed the bookmobile experience then you are aware that our Bookmobile Staff offers exceptional service and stays in-tune with the needs of patrons using this mobile branch.

eReaders were a popular holiday gift this past season. Free ebooks, audiobooks and music are available for checkout via the library's online catalog. To begin, we encourage you to visit the eBooks and eAudio page at <http://www.holmeslibrary.org/browse/ebooks-eaudio/>. There you'll find helpful links to begin your digital media adventure.

Lastly, I just want to say thank you to the residents of Holmes County for continuing to support the Library. In the year that I have been here as both a Library Director and county resident I have come to realize just how special Holmes County is.

East Branch

As the East Branch Manager, it is my goal to assist patrons in fulfilling their library needs whether it be a reader's advisory or reference question, how to use the patron online catalog or using the public computers. Along with helping our patrons feel more confident while using Library resources, the East Branch staff will also provide a wide selection of programs which will engage the Eastern portion of the county and really let you know what we have to offer. The East Branch Library is a great place and a valuable part of the Holmes County District Public Library system. I encourage you to stop by and take a moment to look around. If you have questions, please call the Branch at (330) 893-3464.
