Holmes County District Public Library

Please welcome Josh Chase as our new East Branch Manager! Josh was born in Akron, Ohio and lived in Summit County, moving here with his family four years ago. Despite being a recent transplant to Holmes County, he loves it here. He is the oldest of eight children—six boys and two girls. Josh enjoys music and TV, but his first love has always been reading, including graphic novels.

Josh began working for the Holmes County Library as a Page Technician at the East Branch in 2012, becoming Branch Manager in August 2013. His experience working with former Branch Manager, Kim Hiller has resulted in a smooth transition, and Kim will continue with the

library system as the library's Teen Services Assistant.

As a reminder, the East Branch is open Monday and Wednesday from 10 am-4 pm, and Tuesday and Thursday from 2-8 pm. It is also open during the school year the 2nd and 4th Saturdays of the month from 10 am-4 pm.

Two Additional Book Returns will be out in Holmes County in early October. One will be placed at Nashville Elementary School and the other will be at the General Store in Farmerstown. These colorfully painted boxes have children and flowers drawn on them and will also have signage denoting them as Holmes County Public Library book returns. All types of items (books, magazines, CDs and DVDs) may be placed in the book returns. Library items must be placed inside the bookdrops. Items left outside the bookdrops may become lost or damaged resulting in charges being added to the patron's account.
